U.S. Median	\$3.77		

Source: Compiled by FTA from state sources.

Notes:

n.a. = not applicable. These 5 states do not have a general sales tax.

(1) In 17 states, the government directly controls the sales of distilled spirits. Revenue in these states is generated from various taxes, fees, price mark-ups, and net liquor profits. (see: <https://www.nabca.org>)

(2) General sales tax applies to on-premise sales only.

(3) Washington privatized liquor sales effective June 1, 2012.
